Paulo Coelho is a worldwide phenomenon. At a time when he is coming up to the fantastic achievement of 100 million copies sold worldwide across all his books, his fans will be delighted with the first ever official biography of Paulo, an in-depth look at his life and work, and what makes him the much-loved author he is today.

Paulo's first official biographer, Fernando Morais, provides an exhaustive look at Paulo's fascinating and varied life, taking several years to research his subject, and interviewing everyone who knows Paulo. He weaves together the strands of Paulo's life, revealing the man behind the world-famous writer.

Paulo Coelho was born in Rio de Janeiro, Brazil, in August 1947. Before he became internationally known and a worldwide bestseller, he had to overcome many obstacles. As a teenager, he was subjected to the brutality of electric shock treatment in the psychiatric hospital where his parents, who took his rebelliousness as a sign of madness, interned him three times. As a member of the esoteric underworld, he was

put in prison for alleged subversive activities against the Brazilian dictatorship and subjected to physical torture.

Later, Paulo joined forces with rock star Raul Seixas and together they composed songs that revolutionized Brazilian rock music. Hippie, journalist, rock star, actor, playwright, theatre director and producer of television programs, this whirlwind life came to an end in 1982, during a trip to Europe. In Dachau and later in Amsterdam, Paulo had a mystical meeting with "J", his new mentor, who persuaded him to walk the Road to Santiago de Compostela, a medieval pilgrim's route between France and Spain.

In 1986 Paulo walked the Road to Santiago, and it was there that he reconverted to Christianity and found again the faith bequeathed to him by the Jesuit fathers of his school years. He would later describe this experience in his first book, *The Pilgrimage*. The following year, *The Alchemist*, established his worldwide reputation. The novel has already achieved the status of a universally admired modern classic. Now, for the first time, discover the true story of the man behind some of the world's most loved books.

Reviews

Praise for Paulo Coelho:

'An exceptional writer.' USA Today

'His books have had a life-enhancing impact on millions of people.' Times

'One of the few to deserve the term "Publishing Phenomenon".' Independent on Sunday

'Coelho's writing is beautifully poetic but his message is what counts...he gives me hope and puts a smile on my face.' Daily Express

'Mr. Coelho's talent as a writer and his exceptional ability to touch the lives of men and women across boundaries and cultures makes him a powerful Messenger.' Ban Ki-Moon, UN Secretary-General

""The Alchemist"" is a beautiful book about magic, dreams and the treasures we seek elsewhere and then find on our doorstep.' Madonna

'It's like music, really, the way he writes, it's so beautiful. It's a gift that I envy above all others.' Julia Roberts

About the author

Paulo Coelho was born in Brazil and has become one of the most widely read and loved authors in the world. Especially renowned for The Alchemist and Eleven Minutes, he has sold more than 85 million books worldwide and has been translated into 63 languages. The recipient of numerous prestigious international awards, amongst them the Crystal Award by the World Economic Forum and France's Legion d'Honneur, Paulo Coelho was inducted into the Brazilian Academy of Letters in 2002. He writes a weekly column syndicated throughout the world.
