The way it would bring you more peace, happiness, health and **abundance**.

Don't worry, I have been there myself. It's not your fault.

You see, the problem is that while many resources tell you **what to do** (do affirmations, visualize, be positive, meditate) very few actually tell you **HOW to do it...**

It's not about how much time you spend on your **LOA/ manifestation practices**.

It's not even that much about **WHAT** you practice (whether you do affirmations, visualize, journal or do something else).

It's about HOW you practice and how it helps you shift your mindset and **transform your energy**.

This is what **Law of Attraction - Manifestation Exercises** is all about.

It's designed to help you **FEEL free from RESISTANCE**.

So that you can **manifest from your CORE** and easily step into the **FLOW** of love, **ABUNDANCE** and happiness.

From there, incredible things will happen and all your friends will be amazed at your "superpowers".
