Confucius said that a thousand-mile journey begins with a single step. The same principle applies to becoming a self-made millionaire, except this journey is a little shorter, comprising just 52 common sense practices.

Featuring interviews with a wide-ranging list of self-made millionaires, you will be astonished to see how anyone can achieve this status by creating the right mindset. You will learn how white-collar professionals, blue-collar workers, small business owners, even teenagers alike have joined this million-dollar net worth club by methodically and consistently putting into practice the self-made millionaire game plan revealed in this book.

In *What Self-Made Millionaires Do that Most People Don't*, Ann Marie Sabath makes it easy for you to implement these simple strategies by posing a question at the end of each section to help you begin your own self-made millionaire journey.

*What Self-Made Millionaires Do that Most People Don't* will teach you:

- How to create a self-made millionaire mindset.
- The 25 habits all accomplished individuals have in common.
- How self-made millionaires benefit from “failure.”
- Powerful advice for anyone ready to begin their self-made millionaire journey.

OK, you've been given the rod, now go fish!
